To Whom It May Concern:

I have been Donna Henry's student for one year. In that year, I have been very impressed with Donna's teaching method and dedication.

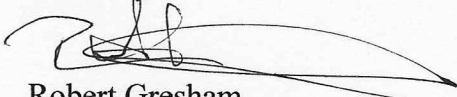

She teaches vocal, piano, and general music lessons, specifically tailored to her student(s). Because of this, Donna is a perfect teacher for both children and adults.

Donna's expertise allows her to work with students of all levels, and on a diverse selection of music, to include choral, theater arts, gospel, and other types of music.

Donna Henry is very skilled and she is qualified to teach classes for piano, singing, general music theory, and more. She works equally well with students of all ages. She is also highly professional at all times, and communicates very well with her students.

I highly recommend Donna Henry, and Master's Music, for your personalized music instruction.
