Dear Sir/Ma'am,

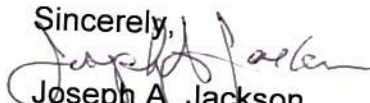

It is my distinct privilege to provide this letter of recommendation on behalf of Mrs. Donna Henry. I have come to know and work with Donna as a personal voice coach over the past several months. During that time, Donna displayed the talents which denote the traits of a skilled and disciplined teacher. She is punctual, precise in both her approach to music and in getting the best results from her students.

Donna displays a consistent desire to want to help and to always improve the product and performance of her students. She has a balanced approach of critique and positive reinforcement that encourages and uplifts those around her. She is equally skilled at removing the fear of performance and mental obstacles that can at times trouble vocalists.

Her extensive knowledge of musical pedagogy and years of practical application make her a true professional. She is able to quickly assess areas for improvement. Donna skillfully matches the musician with the appropriate music thereby highlighting strengths and reinforcing fundamental and essential skills.

I wholeheartedly endorse and recommend Donna Henry for this position. Donna would be an asset to any musical endeavor. If you have any questions or concerns please contact me at: 719-393-5411 or via email: [redlegjoe@msn.com](mailto:redlegjoe@msn.com).

Sincerely,

  
Joseph A. Jackson
